Tuesday Evening Video Series: How would you explain what is meant by faith? Our video host, respected New Testament scholar Karen Jobes, says “Nowhere is there a better explanation of what it means to have faith than in **Hebrews 11:1** - “**Now faith is being sure of what we hope for and certain of what we do not see**”. It is a complete trust in God that energizes one’s actions and decisions in life. The writer of Hebrews gives us a long list of people whose actions exemplified this kind of faith. Please join us for a closer look at their faith in action: **7:30 PM, Zion parlor.**
