Zion's Legacy Fund Update

The Zion Legacy Fund Committee is now ready to support our church groups and members with their project ideas.

Now Accepting Applications

The Zion Legacy Fund Committee has been approved to spend up to \$16,000 on 2020 projects. Our members and church groups are now able to apply for funding for projects that include, but are not limited to:

- areas of new ministries
- innovation & new technologies
- strategic church planning
- capital building projects
- outreach projects beyond Zion Church

Application forms are available at the back of the church or from Diane, in the church office.

If you have any questions, feel free to ask the Legacy Fund Committee Members Cory Gray, Gary MacDougall, Cathy Stewart, Kelley MacQueen or Calvin MacMillan.
